Friends of Samuels Public Library Presents . . .

Hands-On Wildflower Photography Workshop

Sharon Fisher will lead a hands-on workshop on photographing the beauty of spring wildflowers. We will meet at the library for a quick orientation. Weather permitting, we will then move to Eastham Park. At the park, we will photograph the wildflowers along the Front Royal Greenway. We will focus on light and composition; therefore, any type of camera, including smartphones, will work. In case of inclement weather, the session will be conducted inside the library.
