

# Samuels Library Community Coffee Hour

We are incredibly grateful to our community for standing with us through our recent challenges. Your encouragement, advocacy, and support have meant more than we can express. As we move forward, we are committed to being transparent, accessible, and responsive to the patrons we proudly serve.

This informal gathering is an opportunity to:

- Connect
- Share Updates
- Answer Your Questions

We hope you'll join us for this open and thoughtful conversation. Your voice matters, and we look forward to seeing you there.
